The Randolph County Training School Scholarship Foundation (RCTSSF) was organized in 2005. The purpose of the Randolph County Training School (hereafter referred to as RCTS) Scholarship Foundation is to raise scholarship funds and help promote the RCTS legacy and tradition through the development and distribution of historical information and documents. The Foundation will work cooperatively with the bi-ennial officers and members of the RCTS Reunion to advance the RCTS legacy and tradition. Central to the Foundation’s purpose is educating youth and the general public about the contributions that were made by RCTS and its graduates.
